All Members of The Cobham Avorians Cricket Club:

It was agreed at the last committee meeting that letters and e-mails should be sent out to all members of the Club to encourage donations and sponsorship for the coming season. As a result of being promoted to the Premier Division, major improvements need to be made to the Pavilion, a major part of which is larger changing rooms. At the same time, we intend to create a ladies'/girls' changing room and also a safe play area for children. The anticipate cost is circa £40,000.

We hope that we will be able to encourage our sponsors to continue to support us but feel it is important to enlist the help of the members of the Club who, in turn, will help us to find new sponsors and, hopefully, enlist interest from local businesses. The fact that the 1st XI are now in the Premier Division, the 2nd XI gained promotion and we have a thriving Colt section, including girls, which will hopefully encourage sponsors who will see that we now have a high profile in Surrey cricket.

Our website, www.avorianscc.co.uk has been a great success thanks to the efforts of David Miller, and we are happy to report that this site attracted in excess of 10,000 visitors during the 2006 season. Advertisers can place their company banner on the homepage with a link to their own website. We are pleased to report that planning applications are being considered by Elmbridge Borough Council, and we have successfully negotiated an extended lease with Burhill Estates, which secures Cobham Avorians Cricket for the next 20 years.

As the members will know, we are lucky to have, as one of our Friends, Runnymede Homes who will be looking after the building works.

To keep members up to date with the progress of donations and fund-raising, you will see in the Clubhouse a "thermometer". We have already broken our "duck" and have received contributions including one from our Aussie Vice President.

If you know of any company or person who would be prepared to support our Club, please contract me by e-mail at steve@stevelewisphotography.com or on my mobile, 07774 159912.
